ORIENTATION FOR XII STUDENTS PARENTS

Dear Parents,

Hope you all are fine and in best of your Health .

At Saint Soldier Public School, Pratap Nagar , Sanganer we are highly concerned about XII std students as its their Board Class . This year unfortunately we are not able to be with them and guide them in real, though we tried to teach them virtually through online classes . I request you all to join with us on Zoom meeting on 14th June 2020 at 11 am to discuss few suggestive points for your child to how to move ahead in this time of Covid and how to use online platform for studies so that our children will not suffer and come up with good results .
